

QUAKERTOWN Christian School

Equipping students to be leaders through an exceptional education within a culture emphasizing Christ-like love, peacemaking, and service.

How quickly the start of this school year has gone by! We have welcomed back some old, familiar faces and have also had some new ones grace our doors. It's at this time of year that we can sit back and reflect upon God's goodness to us. He has brought us through the summer, the start of a new school year, and now, to these coming holiday months. We can rejoice in God's promises to us, for He is faithful.

God is leading each one of us into a life of trust—a trust in Him. It is no different for this amazing ministry. One scripture we can lean upon for peace is Philippians 1:6:

"Being confident of this very thing, that he who hath begun a good work in you will perform it until the day of Jesus Christ."

What assurance this scripture gives us, that once God has started a work, He is faithful to complete it.

As we approach this Christmas season, we ask you to consider joining God in His work at Quakertown Christian School. One of the greatest gifts you can give to a child this Christmas season is the gift of a Christian education. You are an integral part of the ministry of QCS. It is because of you that children are blessed to come to this place to learn about Jesus. They are equipped to be Jesus' hands and feet. These children leave here with hope and expectation of reaching others for Christ as they graduate to the call God has for them. That is truly a gift that continues to give and grow from generation to generation. Right now, your gift is needed.

Over the past four years, we've seen God at work with annual enrollment increases. Trusting in our Lord, we set a higher figure and embarked on an even greater goal. Unfortunately, our hopes to extend our Christ-centered classroom experiences to a greater number of students have come up short. We still trust God to send us the families He wants to be here, but we are asking each of you to prayerfully consider helping to provide the financial support to make up the \$175,000 difference.

Above all, we ask that you please add QCS to your prayer list. Pray for us that the work of Christ would be accomplished here at QCS. Pray for the Lord to bring in the funds needed to fulfill His call, to provide an exceptional education within a culture of Christ-like love, peacemaking, and service.

We ask that you prayerfully consider giving a Christmas gift that impacts eternity by giving to QCS and investing in the Kingdom of God right here in Quakertown.
